Cheap and good cube

November 24, 2016

Size: 1 Pack **Verified Purchase**

I like cube, and this one is OK at this low price, but the tolerance of rotation is not so good because of the interior mechanism and spring, you can feel some resistance when you play with it. But it's OK.

Waste of time and money

This cube sucks. It is not like the one in the pictures at all. I can barely move the cube let alone use it as a speed cube. [Read more](#)

Garbage

August 28, 2017
 Size: 1 Pack **Verified Purchase**

Don't waste your money. Item not as pictured. Stickers we're falling off of it when it came in the mail, and two of the pieces of the cube fell right off of it on the first day.

The color pieces on the sides unclip from the product. Very cheaply made. My son dropped it and it broke in a million pieces

Terrible, No Good, Very Bad Cube

August 29, 2015
 Size: 1 Pack **Verified Purchase**

I received this 3x3 and immediately noticed the colors were not the same as the Rubik's brand. Not the worst thing ever, but not good for anyone who is used to the Rubik's color orientation. I tried to look past that, and was excited to try the cube out, but it was extremely difficult to turn! I grabbed my lubricant and turned the cube appropriately to open it up and the piece snapped at the base before I could open it. Broken.

Not only that, but I did not receive the cube which is displayed in the picture. The cube I received has very harsh edges and corners, unlike the nicely rounded, correctly colored cube in the main picture.

Terribly disappointing after waiting a full month to receive the cube.

Will not be purchasing again.

DO NOT BUY, SAVE YOURSELF THE PAIN

July 2, 2017
 Size: 1 Pack **Verified Purchase**

This is the worst thing you can possibly buy. It only twists one way and when I tried to twist it the other way the whole thing broke into pieces. It is hollow plastic and is VERY VERY cheap. Not even worth the little amount of money I spent. Never worked correctly

Dont drop it.

Smooth turning and a lot of fun. The pieces will come off when you drop it. Also the stickers are coming off. Overall my son has enjoyed it

Junk

December 28, 2016
 Size: 1 Pack **Verified Purchase**

It didn't even last 2 days. It fell onto a carpeted floor, and the faces of about 6 individual cubes just fell out. Completely hollow and not put together well. If you buy this, I hope you are able to solve the puzzle right away because you won't have it long.
